We feel honored to have Dr Rajendra Singh, popularly known as "Waterman of India", heading a national network of organizations namely Rashtriya Jal Biradari. which is working for the restoration of all mighty and small rivers of the country.

I am equally pleased to take stalk of our achievements and glories on this occasion in the form of the Annual Report of the School.

Our school has honed and fine tuned a learning and life-skilling system that has been envied and benchmarked across the region for past few years.

An investment made in BIRLA SHISHU VIHAR pays many dividends through life. From the moment the child enters the school gates as a 4-year old, he gets to realise who he is; and where his potential lies. Irrespective of his background or caliber, he is groomed and nurtured in a way that he can stride into the adult world, confidently, responsibly and independently.

Yet, in today's world, no institution of repute and quality can afford to sit on its laurels. So, a decisive shift in pedagogical approach under the able guidance of

Maj General S.S.Nair, AVSM (Retd), Director, BET has helped State's best day school to gain a global reputation.

School is progressing in leaps and bounds towards its mission- **"To meet global challenges with value orientation and liberation of mind"**

Achieving excellence is at the heart of endeavor of all educators and academic institutions. An important measure of this pursuit is how the institution has performed in third party assessments.
